POEMS 2.0 Introduction

POEMS is an integrated, safe one-stop online trading platform developed by our company. It allows you to trade various products, including Hong Kong Stocks, Foreign Stocks, Stock Options, Hong Kong Futures, Foreign Futures, Forex, Bullion, Unit Trust and applying Shares Builders Plan.

To provide better service to our client, we put great effort into improving our system and thus POEMS 2.0 appeared.

Upgraded Function in POEMS 2.0:

(1) Upgraded Target Buy/Sell Order: validation period extended up to 30 days, SMS reply order function and enable you place order anytime.

(2) Option Calculator: by Black-Scholes model, calculate the reasonable price.

(3) Unit Trust Chart: help you to check the price history easily.

(4) Futures Margin Table and Margin Calculator: help you get the margin required.

(5) Share Builders Plan: Over 100 stocks for you to choose, minimum contribution only HK$1000 per month.

(6) Bonds Price: enable you to get the global bonds quote easily.

(7) Exchange Rate Calculator: help you calculate the conversion price easily.

(8) Price Alert: Free Hong Kong Stocks e-mail price alert.

Other than above upgraded items, the interface is also optimized to enable you get more information easily. The details is mentioned in page 6.
