V4.0

The screenshot shows the Phillip Nova login interface. At the top left, it says 'V4.0'. The logo 'Phillip Nova' is centered, with 'Nova' in a stylized font. Below the logo are two buttons: 'Live' (grey) and 'Demo' (white with blue border). The main login area is enclosed in a red box. It contains three input fields: 'Username' with a placeholder 'Enter Username', 'Password' with a placeholder 'Enter Password' and a red '1' next to it, and '2FA OTP:' with a placeholder 'Enter OTP (Only 2FA User)' and a red '2' next to it. Below these fields is a 'LOGIN' button with a red '3' next to it. At the bottom of the login area are two buttons: 'Forget Password' with a red '4' below it, and 'Reset Password' with a red '5' below it.

1. User Login Detail to be filled.
2. Enter 2FA OTP obtained from your Phillip Nova application. This fill is only for registered 2FA users.
3. Login Button
4. Forget Password to go Forget Password page
5. Reset Button to go Reset Password page

11. Add Contracts to watchlist

Add Contracts to Watchlist

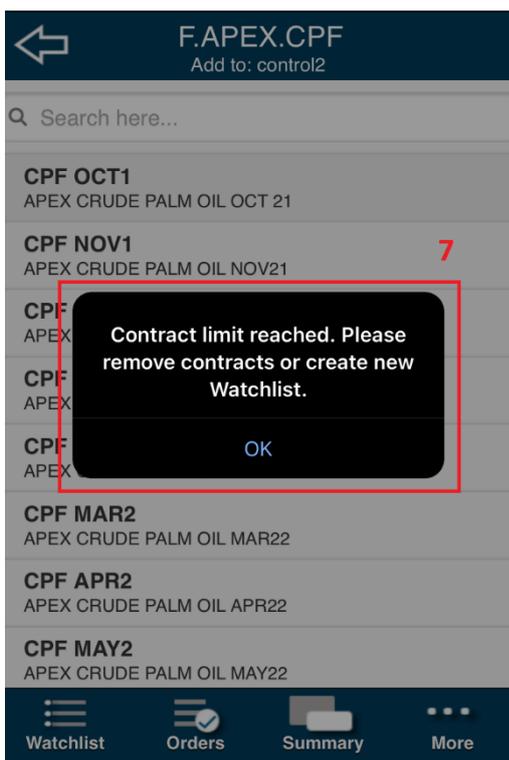

Add Watchlist page contains few layers filtering. i.e. product, exchange, contract month. For LME Metals, layer filtering will be product then contract month.

1. Back button, go back Watchlist page.
2. Watchlist name, add new price into this Watchlist.
3. Search Watchlist.
4. Select button, choose the Contract required.

*Search page

5. Insert keyword to filter.
6. Back to main Watchlist page.

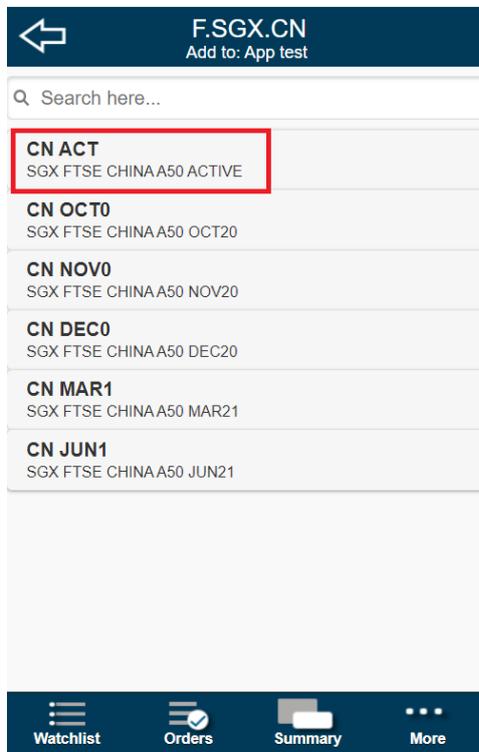

7. Maximum 60 contracts are allowed in a watchlist. Message prompt when user adds contracts exceeding the limit.

APEX CRUDE PALM OIL AUG 21	LO	-	HI	-

8. "Add" button is hidden after the watchlist reaches the maximum number of contracts allowed (60 contracts).

Active Month Contract

User can add an active month contract to his watchlist. The method will be the same as shown in [Add Contracts to WatchList](#) section above. An active month contract will have a suffix “ACT” in the instrument code and “ACTIVE” in the contract name.

In watchlist page, user can identify the current active month series by looking at the contract month of the active series.

User can add the active month contract and the normal contract of the active month to the watchlist at once.
